

Did you know that you can work on **NeuronUP** sessions from the comfort of your own home?

5 advantages of working from home

1. Continue with **rehabilitation from the comfort of your own home** at any time of the day.
2. Continue with **remote therapy with your professional** even when you are sick, working out of town or on vacation.
3. Reinforce the activities worked on in the clinic.
4. Strengthen your **adherence to treatment**.
5. **Continuous follow-up** with your professional.

Don't worry, it's easy!

1 Your professional will plan your sessions

2 Connect from home and do the assigned activities.

3 Your professional will review your results.

Go back and do it again!

How can you start working with NeuronUP from home?
Contact your therapist and they will sign you up!
